

Sea Otters

Grade Level: K - 5

Duration: 50-minute session

Number of classes per visit: 4-6

Available: October - June

In which waters can you see a sea otter? Not long ago, these clever marine mammals lived all along the coasts of the Pacific Ocean. Discover the amazing features of these furry friends, how they were so highly sought after in the fur trade, and how vital they are to our coastlines. Use all of your senses to experience the sea otter lifestyle in our sensing stations.
